

BOBCAT BEACH FLAGS

Beach flags with aluminum stand with stable and easy construction. The flag is digitally printed with the Bobcat logo on both sides of the flag.

The beachflag package includes:

- the flag fabric with Bobcat logo,
- flexible mounting rod in a transport bag,
- customer selected base/stand.

Beachflag material

Material of the flag is a high quality PES fabric 'BiColor' that provides perfect printing base, full opacity of the print and good shape stability in the weather.
